

Dr. Bloomberg Stays GHATo Elect Board

The board of directors of the Greenbelt Health Association announced on Tuesday that Dr. Max W. Bloomberg has withdrawn his resignation and will continue to serve the association.

Abraham Dury, GHA president, will give a full statement on the operation of the Association at the membership meeting January 28 at 8 p.m. in the home economics room of the Center school.

Four members will be elected to the board of directors at this meeting. Nine nominations have been received for these positions: Mrs. Gus Bealor, Paul Borsky, Fred Petersen, Samuel Ringel, Thomas B. Ritchie, R. E. Robertson, Sidney Rubin, Mrs. Harry Stage, and Phillips Taylor. Eligible members not able to attend the meeting may obtain absentee ballots from the Health Association office, 30-D Ridge Road, from January 18 till the afternoon of the meeting. They must be turned in to the office by 5 p.m. January 28, in order to be counted.

Dr. Dury expressed his hope for a large membership turnout at this meeting as a demonstration of membership interest and support of the organization. Plans for expansion of facilities and staff will also be proposed at the meeting, he

GHS Whips Laurel, Mt. Rainier Fives

Greenbelt High School played host to Laurel last Friday night in a basketball game at the Center school gym. The home team won 35-22.

The first quarter was evenly played ending in an 8-8 deadlock. The Grizzlies opened up in the second period, and the outcome was never in doubt. The locals were sparked by Bill Roberts' long set shots and Charley Midkiff's rebound play. They scored 8 and 10 points respectively.

Scores by quarters:

Greenbelt	8	18	24	35
Laurel	8	11	15	22

Greenbelt journeyed to Mt. Rainier last Tuesday night to defeat a favored Mountie five 24-18. Both teams played very tight defensive ball and the game was close all the way. Mt. Rainier led 3-2 at the end of the first period. The lead changed hands three times, and the game was tied up twice in the second quarter, during which the Grizzlies forged ahead to lead 13-12 at the half.

John Teel scored two quick baskets on quick bucks to open the second half. It was nip and tuck the rest of the game, with the Grizzlies leading all the way. Mt. Rainier was held scoreless in the last quarter, while the Greenies were able to score only three points. John Teel was high man for Greenbelt with 19 points. Pat Redd, Bill Roberts, Horace Randolph, and Charley Midkiff all broke into the scoring column.

Score by quarters:

Greenbelt	2	12	21	24
Mt. Rainier	3	12	18	18

Greenbelt plays Maryland Park at Maryland Park Friday. Annapolis comes to Greenbelt next Tuesday evening. Game time is 7:30.

Excuse Us, Mr. Shaughness

In the advertisement of the GCS Variety Store in last week's issue of the COOPERATOR the store hours from Tuesday to Thursday were listed from 10 a.m. to 8:30 p.m. The correct hours are from 10 a.m. to 6 p.m.

Reach For Your Pocket March of Dimes Starts

The annual March of Dimes drive will be held from January 14 to January 31 to obtain funds for the Prince George's County Chapter of the National Foundation for Infantile Paralysis Inc. Charles T. McDonald, town manager, is chairman of the drive in Greenbelt and he is being assisted by the Greenbelt Department of Public Safety.

The need for funds is great because in the past Greenbelt has not contributed as much money as it has used. During the period from 1944 to 1948 Greenbelt needed and used \$12,000 to fight polio, yet contributed only \$2800 during this time.

Mr. McDonald stated that folders are being mailed to all Greenbelt residents for their convenience in making their contribution. Collection boxes will be placed in all the stores, and large boxes where the folders may be returned will be located in the Post Office, the Police Station, and the Town Manager's office.

Players and Fans Buzz Drop-Inn

Approximately 150 boys and girls assembled at the Drop-Inn after the high school basketball double-header last Friday and kept both the juke box and the snack bar buzzing.

The Drop-Inn will be open after each of the Friday home games until 12 midnight. On the other Friday nights, the canteen will be open the usual hours from 7:30 to 11:30 with dancing, a door prize, and entertainment offered, for the senior high group.

Because Friday nights are being taken up with basketball games, Wednesday nights will be opened effective January 26 from 7:30 to 10:30 for the senior high group. If attendance is sufficient, these nights will continue to be open.

Critics Advise GCS On New Meat Service

Ideas for additional improvements to the self-service meat department in the new Co-op supermarket accounted for a major portion of the discussion at the Food Store Advisory Committee meeting held in the GCS office Wednesday evening, January 5.

There is some demand for small quantities of various meats, it was felt, and attention to having smaller packages on hand was suggested. Small slabs of bacon were among the items requested.

The store management agreed to look into the possibility of obtaining small size frozen shrimp which might be sold at an economy price.

Special Service

Cards describing cuts of meat and demonstrations of meat preparation were other suggestions. A sign indicating where a customer could obtain personal service, and a small extra charge for certain special services were also proposed.

Additional convenience scales for customers in the produce department were suggested, and there was some discussion of certain products carried in the store.

Extra Quality Items

Management mentioned arrangements that have been completed to bring fresh "home made" cakes from Hanover, Pa., regularly. Maryland farm eggs and poultry are other special quality products now being brought directly to the supermarket.

Store manager James Mathers reported that the business volume continued to increase, with Friday, December 31 topping all previous sales for the day.

GCS Is 4th Largest Urban Cooperative

In eight years Greenbelt Consumer Services has grown to be one of the nation's largest urban cooperatives. Only four urban co-ops had greater sales than GCS in 1947, according to a Bureau of Labor Statistics tabulation of leading consumer cooperatives. The table is part of an article on co-op operation in 1947, appearing in the November 1948 issue of the *Monthly Labor Review*.

All Time High

The article points out that in 1947 the consumer cooperative movement in the United States reached an alltime high in membership and business, with the total sales of retail cooperatives passing the billion dollar mark. The combined increases in store volume exceeded those of any previous year.

Operating results, however, were less satisfactory than in previous years, with over a fourth of the co-op stores showing a loss on the year's operations.

4,000 Retail Co-ops

There were about 4,000 retail cooperative associations in the United States in 1947, with membership totaling about 2,200,000 individuals. In addition, there were over three million members of credit unions, two million members of electric light and power co-ops, and another million members of service and other cooperatives.

Of the 13 cooperatives listed in the table of leading urban co-ops, four are located in the Potomac area—GCS, Rochdale Cooperative of Washington, Group Health Association, and the Shipbuilders Cooperative of Newport News.

No School Inauguration Day

Thursday, January 20, inauguration day, will be a school holiday. Conferences between the teachers and parents at both elementary schools are scheduled to begin this week. Teachers will send appointment notices sufficiently far ahead so that the parent can arrange to be present. However, if the appointed time is not convenient, the parent can phone and arrange for a conference at another time.

Community Chorus Announces Artists

Highlights of the Greenbelt Community Chorus concert, to be given January 24 in the Center school auditorium at 8:30 p.m., have been announced, with full details of the program to appear in next week's issue.

Dr. Harlan Randall, music director of the University of Maryland, is again conducting the concert, with Mrs. Gordon Finlay as accompanist. Gordon Finlay will play several cornet solos, bass soloist is Fred Pfeiffer, soprano soloist is Mrs. Ruth Chaney, and Mrs. Daniel J. Neff is second pianist. Of course the chorus is the main feature, singing folk, religious operetta and traditional music.

A capacity audience is expected this year, as in the two previous concerts given by the chorus. Tickets are available from members.

Credit Union Will Meet To Elect New Board

The annual membership meeting of the Greenbelt Federal Credit Union will be held in the business office, room 202 above the drug store, on Wednesday, January 19 at 9 p.m. An election of new members to the board of directors will be held followed by a discussion and vote on the recommendation of the treasurer as to the dividend to be paid on earnings during the year 1948.

PHA Grants 5 Local Churches Sites After Two Year Fight

Public Housing Administration announced Tuesday that it has accepted bids of five Greenbelt church groups for building sites, and will transfer titles of the properties upon final settlement.

PHA Site Appraisal Gets Local Applause

Representatives of the federal and town governments, as well as of the religious groups in the community expressed their unqualified gratification at PHA's acceptance of bids on church sites.

Charles M. Cormack, Greenbelt's community manager and local PHA representative said: "I am very pleased that a way has been found to approve the bids of the church groups. . . . The sites are excellently located and should be adequate in size for all foreseeable needs of the congregations. The availability of all utilities should make it possible to proceed with the erection of suitable buildings with a minimum of delay. . . . I further feel that this is the first step forward in the expansion of Greenbelt and should encourage further development in the immediate future."

Town Manager Charles T. McDonald, also representing St. Hugh's Catholic Church: "I am very happy at the success of the churches, and I can say that we are very grateful to Mr. Cormack and to PHA officials who made it possible for the churches to proceed with their long-anticipated programs. Truly it is a step forward for the town of Greenbelt."

George E. Sheaffer, Jr., of the Greenbelt Community Church: "We have been looking forward to this for two years, and are happier than words can express. We hope to break ground this summer."

Rabbi Morris Sandhaus of the Jewish Community Center: "I am very pleased, as is everyone else. This is a turning point in the life of the Greenbelt community—another important milestone. We can now give our citizens the physical as well as the spiritual sustenance they need."

Alvin E. Allen, chairman of the board of trustees of the Mowatt Memorial Methodist Church, "We are happy at the successful conclusion of a long series of negotiations, and plan on building as soon as possible."

Edward F. Trumbule, superintendent of the Greenbelt Lutheran Church Sunday School, "We are jubilant at the news, and fully intend to carry out our program as quickly as possible."

Greenbelt Riflemen Win 5th Straight

Team No. 1 of Greenbelt's Rifle Club defeated the Pee Gee team on January 10, to pile up their fifth straight victory. Greenbelt outscored the Pee Gee's 1385 to 1309 out of 1500. Ruth Morgan led the Greenbelt team with 284 out of 300. The men on the team say that they are getting used to the tall blond-haired lady beating them regularly, and that she is so modest it's almost a pleasure. Others on the winning team were Lyman Woodman, Harry Bates, Carroll Gardner, and Freeman Morgan.

The Maryland Rifle Association, Indoor League Tournament is nearing the halfway mark. Teams from this area are competing for top honors at the Maryland University Armory range. Greenbelt has two teams entered in the contest and both are doing some good shooting.

The announcement came as the climax to long-term endeavors of local religious groups to obtain property from PHA for erection of church buildings. There have never been churches or provision for church sites in Greenbelt. Local churches have been using the school and theater buildings for religious services.

Began in '47

Leaders of the groups have been attempting to negotiate a transaction since February 1947. First active encouragement the project received was in March 1948, when the PHA area director stated that sales prices were being established for the sites previously selected by the churches.

Meanwhile, leaders of seven church groups formed the Greenbelt Inter-Faith Committee, which took over the negotiations in September, 1948. The following month brought an unexpected snag, when PHA lawyers announced that a Supreme Court decision made it impossible for the Federal Government "to sell or grant at reduced price to a church property purchased with tax monies"; and that according to law, PHA must advertise the land for public sale, putting church groups at a disadvantage by bidding against other groups, who could afford to pay a higher price.

Sites Zoned

However, PHA met the first objection by advertising the property for public sale, while the Greenbelt Town Council on October 21 zoned the seven Greenbelt sites for church use only, to preclude other interests from bidding on the property.

In November, PHA authorities announced that appraisals were being made and that a sale would soon be announced. Early in December, advertisements appeared in Washington and local papers of six tracts of land in Greenbelt for sale, for "semi-public" purposes. Five of the groups submitted bids, which were accepted on Monday of this week.

Sites and accepted bid prices are as follows: Site 1, 3.35 acres, \$4500, to St. Hugh's Catholic Church; Site 2, 2.55 acres, \$4500, to the Greenbelt Community Church; Site 3, 3.20 acres, \$1800, Mowatt Memorial Methodist Church; Site 4, 3.13 acres, \$3,000, Greenbelt Lutheran Church; and Site 5, .79 acres, \$1000, Jewish Community Center.

The groups must now arrange, within 30 days from the day of acceptance, to pay the balance of the price, upon which a 10% "good faith" deposit was made at the time of the bid.

Valentine Dance February 5th

The Woman's Club of Greenbelt will hold its annual Valentine Dance on Saturday, February 5, in the Center school auditorium. Walter Hubbel's Orchestra from Baltimore will furnish music for the occasion.

Mrs. Miles Bonnar, general chairman for the dance, has announced that the cloak room concession will be handled by the Rescue Squad of Greenbelt. Funds from the dance will be used by the Woman's Club for welfare purposes. Tickets are on sale now from any member of the club and will be on sale at the door.

Ring Dem Bells

We're glad to hear that Greenbelt is to have churches at long last. Won't it be something to hear church bells on Sunday? We congratulate all of those who worked so hard and long to put the fight across. Thanks to all of you for helping our churches achieve

The Dime Marches On

The March of Dimes gets under way tomorrow. Greenbelt has been remarkably lucky this year in having only one suspected case of infantile paralysis. Yet over a four-year period we needed and got \$12,000 to fight polio. During that same period Greenbelt contributed only \$2800. It looks like a strong case of it's-better--to-receivitus. And Greenbelt could get hit by polio next year just as hard as Greensboro was last summer. Even with prices as they are today, we could well afford to make it a Parade of Dollars. A buck from every family in Greenbelt would go a long way towards repaying the debt. But, whether it be a buck or a dime, let's all put out a little for insurance.

Women Voter's League Offers Course On U.N. By Mail

The League of Women Voters of Prince Georges County is offering a correspondence course to members and the general public on the United Nations.

This unique method of reaching the busy housewife and the shut-in was originated by Mrs. Frances Ross, UN chairman. League members may obtain the course free, with a basic reference kit available for 20 cents. The subscription charge for non-members is fifty cents and includes the reference kit. Like Cash in the Bank

Ever figure up how big a bank account you would have to leave your family to pay the monthly bills if you should die?

Suppose those bills amount to just \$100 a month—that would be \$1,200 a year. And let's say they would need that much for the next 20 years—until the children were married or working. That would be \$24,000. Quite a bit of money to save!

The simple way to provide this money is to have a Family Income policy which pays a regular monthly income. Ask about it—

On my way to the market this morning, I noticed a telephone truck parked in front of Jane Paul's house. I wasn't surprised when Jane called this afternoon to say she'd gotten her telephone.

She said she is on a party line, the same as I am. The telephone installer had explained that about seven out of every ten families with telephones are on party lines. Jane said if it weren't for party-line service, she would have had to wait a lot longer for her telephone.

That reminded me of something I was reading in the newspaper last night about the telephone company's construction and improvement program. The news article said that "in spite of the rapid progress being made on this program, some people are still waiting for telephones." It went on to say that "the company was making the widest possible use of party-line facilities because party lines mean more service for more people, sooner."
